# The Allure

## Graceful curves. Spa relaxation.

Allow The Allure to magically captivate and charm you with its grand functionality.

The spacious freeform splash deck is the perfect place to lounge and be present in the moment, and also doubles as a fun playground for the kids. Wide steps lead down into the pool for a smooth transition into the shallow end of the pool. Adjacent to the splash deck is the built-in spa, which can become your centre of peace and tranquility. For added effect, it can be adapted to spillover into the pool. The deep end swim out bench is a great place for more advanced swimmers to take a break after an afternoon of fun and games in the water.
